Spring Term 2017

Year 2

Curriculum Information

A booklet for parents

Modern Foreign Languages

Spring 1: Your child will learn different parts of the body through songs and games.

Spring 2: Your child will learn the names of different animals that live in the jungle through playing listening games and interactive activities. Write simple sentences.

Mathematics

Number and Place value - Understand place value and solve place value additions and subtractions.

Addition and Subtraction - Recall number facts to 20. Subtract 2-digit numbers from 2-digit numbers by counting up. Find change from 10p, 20p and 50p by counting up.

Fractions, ratio and proportion: Recognise $\frac{1}{2}$, $\frac{1}{4}$, $\frac{1}{3}$, $\frac{2}{3}$ of shapes. Count in $\frac{1}{2}$ and $\frac{1}{4}$.

Multiplication and division - Know multiplication and division facts for x2 and x5 tables.

Problem Solving- Use place value, number facts and coins to solve problems. Solve multiplication and division problems using arrays and repeated addition.

Statistics: Interpret and complete a pictogram or bar chart.

Shape and measure- Recognise and identify properties of 3D shapes including faces and vertices. Tell the time to the nearest quarter of an hour using digital and analogue clocks.

Science

Your child will learn about everyday materials in Science this term. There will be opportunities to learn about the suitability of materials in everyday life alongside practical investigations and the introduction of fair testing.

ICT

During this term your child will use the computer to create their own pieces of art.

English

We will begin the term by covering the classic story of The Snow Queen. Then the brief focus will be Chinese New Year followed by the main focus of Space until the end of term.

Throughout this term your child will develop the use of nouns, verbs and adjectives within a sentence. Specifically, expanded noun phrases, exclamation sentences and the use of conjunctions (e.g. and, but, so, because). Key punctuation will include; capital letters, full stops, commas and apostrophes (possession and omission).

The focus on spelling accurately remains, alongside reading at least five times per week. Your child will continue to build their stamina for reading lengthier books / passages and then to answer questions concerning how, why and where things happen.

Art

In line with our English topics, your child will paint pictures, build models and complete craft activities.
