"Alte Volo" - Aim High

Measuring the impact of PPG Spending 2012/2013

Progress of all children is monitored at least termly through Pupil Progress Meetings where needs and intervention are identified or reviewed, and end of year results are monitored to ensure progress has been made.

Evaluation – July 2013

3 children left 21.12.2012. 1 child took up FSM 26.2.13

Year Group	SEN Register	Below Average	Average	Above Average	Gifted and talented	Progress seen APS progress in read, wri and maths
R						
1		1				1.33
2				1		2.67
3		1	1			3.00 av
4	Has statement for cerebral palsy/autism but average ability		1			4.00

Child in year 1 on SEN register and discussions being held with outside agencies to cater for needs.

Year 2 child scored as predicted at end of year 2 except in maths where achieved 2b not 2a in maths. In reading and writing not enough evidence to secure level 3 (ie 3b)

Year 3 children one made good progress and the other satisfactory – latter subject of a family break up during the spring term that clearly impacted on progress.

Year 4 child – SEN but good progress through year and across KS2.
