### **Charges**

In order to provide and promote activities as part of a broad and balanced curriculum we reserve the right to ask for voluntary contributions for the following activities:

- 1 School journeys and any necessary admission costs for educational visits or school based workshops.
- 2 Cost of materials/ingredients (or provision of these by parents) for Technology or Art if parents decide they want to own the finished product.
- 3 In order to support our swimming programme parents of children in year 2 are asked to make a voluntary contribution of £2 per week each time their child attends swimming. Parents have always seen the benefit of this as a valuable preparation for the two years of swimming the children get in years 3 and 4 where the school funds the whole cost.
- 4 We reserve the right to make charges for any activities taking place outside school hours.

The terms of any request made to parents will specify that the request for a voluntary contribution and in no way represents a charge. In addition the following will be made clear to parents:

- a) that the contribution is genuinely voluntary and a parent is under no obligation to pay; and
- b) that registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.

The costs of any optional extra undertaken by any pupil whose parents/guardians are unable to pay may not be included in the charge to other pupils but must be funded through the delegated budget, school fund or other fundraising.

The responsibility for determining the level of voluntary contribution is delegated to the head teacher.

### **Remissions**

Children whose parents are in receipt of the following support payments will, in addition to having a free school lunch entitlement, also be entitled to the remission of charges for board and lodging costs during residential school trips. The relevant support payments are:

- a) Income Support;
