

## KS1 Multi Skills Festival

On Tuesday 28<sup>th</sup> April, over 370 pupils participated in a KS1 multi skills festival at Thomas Alleyne's High School. Schools included; Dove Frist, Picknalls, All Saints Denstone, St Peters Alton, St Peters Marchington, Talbot, Henry Prince, St Marys and Church Leigh. All the children were brilliant and had such a positive attitude despite the cold weather!

School Games values were also incorporated into the festival using stickers to identify separate groups. This gave the children a wider understanding of how these values relate to sport and activity. After splitting into groups, the children rotated round 6 activities including; throwing and catching, domes and dishes, football skills, speed, quickness and agility circuits and parachute. This gave the children

A huge thank you to Thomas Alleyne's High School for hosting the event and providing us with over 90 young leaders- they were all fantastic in helping run the activities, time managing and keeping the children enthusiastic!

Certificates were awarded to each pupil for taking part and a special award was given to a pupil from each school that had shown the most self-belief throughout the festival- this term's School Games Value. These pupils received a wristband, sticker and certificate.

*Young leaders delivering parachute games.*

*Multi skills games including relays and domes and dishes.*

Thank you to all the schools who came along and supported the event- we look forward to seeing you at the next one!
